

THE ARTS CLUB

DUBAI

DRESS CODE

The Arts Club Dubai operates an elegant dress code and Members and their guests are encouraged to dress up for the occasion.

-

Local dress is most welcome at the Club, but it is not permitted to be worn at any of the bars and late-night lounges. Local dress may be worn when visiting our cigar lounge, Oscuro, at all times of the day.

-

Sports clothes, gym wear, beach attire, and polo shirts embellished with logos or numbers, are not allowed.

-

Jeans are acceptable so long as they are not ripped or scruffy. Shorts are not permitted at the Club.

-

Collarless t-shirts can only be worn when paired with a blazer or jacket.

-

Baseball caps are prohibited. However, elegant hats such as a trilby, fedora and panama are welcome, but as one might expect, are discouraged when dining indoors.

-

With regards to footwear, clean, non-sports sneakers will be accepted, but only when worn with sufficiently smart attire. Elegant, smart sandals are permitted, flip-flops are not.

-

On the weekends, during the day, children are welcome at the Club and we ask that they are also smartly attired.

-

PLEASE NOTE

Any Member or guest who technically complies with the dress code but still does not appear sufficiently well-presented may be refused entry. Furthermore, the decision regarding the suitability of a Member or guest's attire will be entirely at the discretion of the management.

-

We would be grateful if you could ensure the dress code is conveyed to any guests you invite to the Club.
